

Become a Public School Board Member

Do you have what it takes?

Learn more about impacting students, teachers and the community in your school district.

**March 29,
6:30 – 7:30 p.m.**

This workshop will help individuals interested in running for their local school board understand what is involved in being elected to and serving on the local school board. Hear from three diverse school board members about their own experiences and where to find information about being a candidate.

**April 20,
12 noon – 1 p.m.**

This workshop will help individuals interested in running for their local school board understand what is involved in being elected to and serving on the local school board. Learn the difference between the board's and staff's responsibilities, how to campaign constructively and the next steps to take.
