

A USER-FRIENDLY APPROACH
TO PAPERLESS BOARD
MEETINGS FOR
YOUR GOVERNANCE TEAM.

What Arizona districts are saying...

“Dysart Unified School District began utilizing BoardDocs last year and we have decreased the costs related to agenda preparation and increased ease of access, efficiency in document storage and in agenda organization.

GAIL PLETNICK, SUPERINTENDENT
DYSART UNIFIED SCHOOL DISTRICT
BOARDDOCS USER SINCE 2015

We started using BoardDocs in 2008, and we are so glad we made the shift. Since board members are able to review all documents online, we have substantially decreased the amount of wasted paper. We have also increased transparency, as it is much easier for members of the public to see background information on items that come before the board.

FRANK DAVIDSON, ED.D. SUPERINTENDENT,
CASA GRANDE ELEMENTARY SCHOOL DISTRICT
BOARDDOCS USER SINCE 2008

Board Docs has created a digital platform for my executive assistant to download all documents into one area allowing my governing board to preview agenda and attachments before posting the actual agenda. Board Docs has created a meeting place for our board and I to communicate effectively, quickly, and easily. I absolutely love it.

DR. EDNA MORRIS, SUPERINTENDENT
BABOQUIVARI UNIFIED SCHOOL DISTRICT
BOARDDOCS USER SINCE 2014

“In addition to making meeting preparation go so smoothly at Pendergast, we’ve found BoardDocs to be a great tool for many other important communications with our board and community. We use BoardDocs to post the agenda, share the minutes, give weekly department reports to the board as well as post events that the board members will be attending outside of regular board meetings.”

KERRY POHLMAYER, EXECUTIVE
ADMINISTRATOR TO THE SUPERINTENDENT
AND THE GOVERNING BOARD PENDERGAST
ELEMENTARY SCHOOL DISTRICT
BOARDDOCS USER SINCE 2006
