

The ASBA Board of Directors is comprised of five officers, 17 county directors and the chairs of ASBA's two caucuses. All members of the board have voting rights. Any Arizona school board member serving as a director or officer on the National School Boards Association Board of Directors is an ex officio member of ASBA Board of Directors, as well.

County Directors are elected by peers in their counties at the annual ASBA County Meetings. They hold two-year terms. Maricopa and Pima county have two county director seats on the board due to population.

Members interested in running should state their intent during the election portion of the county meeting.

FOR MARICOPA COUNTY ONLY: Members who plan to run, must notify ASBA in order to have their name placed on the official ballot. Member names **MUST** be on the official ballot in order to be considered a candidate in an election. In addition, it is recommended that candidates attend both Maricopa County Meetings, as time will be allotted at both meetings for speeches of up to three minutes by all those on the official ballot. *Running from the floor is not permitted.*

For any questions or additional information, please email Kristi Sisk at ksisk@azsba.org. Election results will be announced in September.
