A. Dean Pickett honored by NSBA Council of School Attorneys
Pickett is the recipient of the 2014 Distinguished Service Award. He has been a great supporter and invaluable contributor to ASBA. Dean Pickett has presented at every Law Conference since 1983 and provided critical guidance to ASBA member districts for over 35 years. He has also represented Arizona well on the national stage, serving on the NSBA Council of School Attorneys Board of Directors, including Chair of the group. While Dean and his wife, Cindy, are relocating to Colorado to be close to their family, Dean will continue in his semi-retirement to be a tremendous resource to ASBA.

Holcomb receives 2014 ASPRA*tions Award
One of a school board member’s most important responsibilities is to be an ambassador for his or her district. Madison Elementary School District Governing Board Member Scott Holcomb was honored last week for doing just that. ‘Disconnected youth’ focus of May 7, 2014, summit in Phoenix
A recent article in the Arizona Republic reported that, based on a research study by Measure of America, the Phoenix metropolitan area has this country’s largest number of “disconnected youth.” This organization has labeled young people, ages 16-24, who do not work or attend school as being disconnected. The Disconnected Youth Summit, hosted by Maricopa County Education Service Agency (MCESA), will focus on raising awareness of disconnected youth, identify factors that contribute to youth disengagement and hopelessness and recognize the negative impact this issue has on our communities. The summit will be held at Desert Willow Conference Center and registration is $149. Information/register
