

SB 1148 common school districts; unification; budget (Kerr)

Provisions:

- Allows a common school district that meets the following requirements to continue calculating its budget and equalization assistance to include tuition charges for high school students until a high school is approved by the School Facilities Board:
 - A common school district is not within the boundaries of a high school district
 - An election was held authorizing the establishment of a unified school district before the effective date of this law
 - Has not constructed a high school within 10 years after the election
- Allows the newly formed unified school district to continue calculating its budget and equalization assistance for a maximum of five years after the new high school begins operating in the district.
- Allows a qualified school district to retroactively adjust its FY21 budget.
- Contains an emergency clause.
