

**SB 1376 schools; curriculum; mental health (Bowie)**

**Provisions**

- Requires the State Board of Education (SBE) to adopt a course of study and competency requirements for all health education instruction to include mental health instruction or another course
- Allows this curriculum to include aspects of social and emotional learning, attitudes and behavior to promote mental well-being, and the relationship of physical and mental health
- Permits SBE to consult with mental health experts, the department of health services, mental health advocacy organizations, and the Arizona Department of Education.
