

ASPRAtions 2019: Photography
Mountain View High graduation — Mesa Public Schools

Graduation is certainly a time to jump for joy. Mesa Public Schools photographer Tim Hacker captured a group of Mountain View High seniors perfecting the ultimate “selfie” at their graduation May 23, 2019. The photo captures the sheer exhilaration of the monumental event in a student’s life. The image was used in Superintendent Ember Conley’s presentation at the June 11 Governing Board meeting, accompanying an announcement of the Class of 2019 scholarship and grant offers - \$102 million.
