

Graduation 2019

Category: Publications and Electronic Media | Photography

High School graduation is one of the most exciting times in a student's life. The opportunity to celebrate educational accomplishments alongside peers, and in front of family and friends, is a memory that all graduates will cherish for a lifetime. The Peoria Unified Public Relations team spent three days at State Farm Stadium, where most of the High School graduation ceremonies occur, and captured the experience from the stadium floor. These images are used in several ways by the Public Relations Department to help communicate the district's 95 percent high school graduation rate and inspire the next generation of graduates.
